Pre-Kindergarten

Hello Pre-K Parents! I hope November finds you excited as we start our Thanksgiving season. This month, our main focus will be on Thanksgiving and the importance of being thankful for all we have! We will learn about the Pilgrims and Native Americans, and what happened that first Thanksgiving. We will talk about things we are thankful for, and what Thanksgiving traditions your family may have. Please share with your child any type of tradition or activity your family does so that they can share with us. On Wednesday, November 22nd we will do the story of stone soup to emphasize the spirit of giving and thankfulness. I will send more information on that later. We will also be practicing for our Christmas Program, which is December 1st, the week just after Thanksgiving. With our Zoo Phonics, we will emphasize the letters I-L and numbers 9-12, and we will learn the Bible Verse, Psalm 136:1, "Give thanks to the Lord, for He is good, His love endures forever."

I truly hope you and your families have a blessed Thanksgiving! God is Good!

Thank you and God Bless!

School Age

We have had a smooth start to fall and all of your school agers are doing a fantastic job! Each week, we introduce a new theme and our crafts, science and literacy activities focus on that theme. During Thanksgiving Break, we will be heading out on field trips to Jungle Quest and Nella's Yogurt, and we will also have a fun Movie Day on site. Our ACA Christmas Program will be on December 1st this year. We are looking forward to learning to sing and sign a new song that your school agers helped choose. We hope to see you all there! Have a great Thanksgiving!
