## Pre-Kindergarten

Happy New Year to all of you and your families! We hope you had a wonderful Christmas with lots of new special memories made. This month we will focus on winter and all of the fun stuff we can do in it. Also, we will have fun learning about the Stock Show and all of the different type of farm animals we can find there. Many children in our classes visit the Stock Show, and they always have lots of exciting things to say about what they see and do when they get to go. We will focus on prayer, and how we can talk to God through prayer. We will read Bible stories that highlight what can happen when we do pray. Our Bible Verse this month, 1 Thessalonians 5:17 "Pray continually", also supports this focus. We hope you have a wonderful January and a great start to 2018! Thank you so much for your support in this class. Your children are the best!

Best wishes!

-Ms. Doreen and Ms. Penny

## School Age

We have been having a great time in our School Age Classroom! Over Christmas Break, we went on field trips to Jungle Quest, Elvis Cinemas and Green Mountain Bowling. We also had an onsite visit from My Art Workshop— one of the kids favorite activities. On other days, we kept busy with art and science projects, including flying reindeer and a Christmas gift exchange. We hope you had a wonderful holiday season and we are looking forward to an amazing new year!
