Pre-Kindergarten

Hello parents! Welcome September! We have had an amazing start to this school year! We are all getting to know the new routines and rules in our class, but most importantly, we are getting to know each other. It's been enjoyable listening to your children contribute to the class discussions. This month, we will be working on letters B, C & D, and them numbers 2, 3 & 4. We will have a review of A-D and 1-4 at the end of this month. Our themes this month are Me and My Family, My Neighborhood and Community Helpers. Our Bible emphasis will be how God created us to all be part of a family (including his own!), with the Bible Verse Colossians 3:2. I am also going to start introducing some Spanish into the curriculum as well. We will start learning colors, numbers 1 -10, and some simple words. We are working on those Kindergarten readiness skills, like tracing, cutting and following group directions. We will practice tracing as well as trying things on our own to get those fine motor skills exercised. It can be tricky for a lot of them! Thank you so much for your support.

Your kids are the best!

-Ms. Doreen

We have some great projects planned and will be working on our Thanksgiving and Christmas Break schedules soon. Please let us know if we can help in any way.

Thank you!
