Toddler 2– We are coming to the end of 2017. Boy did it go quick! It has been such a blessing to watch all of the children grow and achieve so much each and every day. As we end the year we will learn about Christmas, and most importantly Mary, Joseph and Baby Jesus. Thank you so much for letting us be a part of your kiddos lives.

## Pre-Kindergarten

We hope you are all enjoying this wonderful time of the year! We are having fun listening to your children talk about all the Christmas things going on with your families. Please note the change in the date for our Christmas Program. The children have been practicing hard for it and are excited to perform it for you on stage! It will be Friday, December 8th at 6:30. Please drop off your child in our classroom at 6:15, then proceed to the church sanctuary to get seats and enjoy the show! Another thing I like to mention to parents about their future Kindergartner is that Kindergarten Registration starts in January, and many schools are having Kindergarten information nights now. So even though it may be hard to think of your children as being Kindergarteners (gulp!), now it the time to get them registered- especially if your are thinking about open enrollment! This month, we will be covering letters M-O and numbers 13-15. We will talk all about Christmas, especially why we celebrate it. We will have a Christmas Party- (actually a birthday party for Jesus) on Wednesday, December 20th. We will be sending out more information as it gets closer. We hope you all have a wonderful Christmas. Thank you so much for letting us care for your child! They are so special! God Bless!-Ms. Doreen & Ms.

## School Age

Merry Christmas! It's our favorite time of the year! We will once again be singing and signing a song at our ACA Christmas Program on December 8th. We will also be performing a short play about the birth of Jesus. Watch for a sign up sheet and calendar for Christmas break. We have some great field trips and activities planned. Have a blessed holiday season!
